

## 2021-2023 Streatery Winterization Guide

- [Permit required](#) for use of heaters, type = *Propane Use: Heating - Portable Outdoor*.
- [Permit required](#) for storage of propane tanks, type = *Fuel Storage Tanks: Hazard Fuel Storage*. See updated city regulations section 6109 on propane storage inside and outside of buildings. Propane cannot be stored on deck. Permit required from FEMS.
- BID has heaters available for purchase.
- See page 11 of [DDOT Streatery Guidelines](#).

- For permitting, see page 11 of [DDOT Streatery Guidelines](#). Please alert BID of plans.
- No loose cords on sidewalk.
- Practice safety by not overloading circuits!

### Structures & Canopies

- See pages 9-12 of the [DDOT Streatery Guidelines](#).
- Enclosed structures must be transparent over 42".
- Other structures must be at least 50% open.
- Some streateries near intersections may NOT have structures or tents due to traffic visibility and safety concerns, see BID for details.
- Permit required, see page 20 of the [DDOT Streatery Guidelines](#) for permit requirements, and this [document for instructions](#).
- [Permit required](#) for tent canopy with 0-2 sides.

- Structures, canopies, legs, bases, leg weights, supports etc:
  - » **may NOT exceed width of deck** or overhang curb, sidewalk or street (note that deck is typically 6'5" wide)
  - » may NOT be attached to metal barriers, concrete barriers, deck structure or streetscape furniture or trees

### For all streateries on or off deck:

1. Items left on deck during snow or other emergencies are subject to damage. Leave them out at your own risk. DC requires that all furniture, tents, structures, decor, etc. need to be removed with as little as 2 hours notice for snow/weather safety in case of city-wide alerts.
2. **NO SALT** on decks or other abrasive de-icers. As an alternative, Calcium Chloride pellets (CaCl<sub>2</sub>) are required by BID. It is readily available in bags at home improvement stores. It costs more than salt but less is needed to melt snow/ice.
3. Noncompliance related to any guidelines may result in loss of curb lane dining privilege and potential fines from DDOT.
